Spoke to Milton Rister with the RRC. He is in a good mood and happy I called. No immediate concerns.

Here you go.

Mike

Subject: Final Letter

Dear Legislator,

Attached you will find a letter from Secretary Teague with an update on the work the Coordinating Council on Seismic Activity has undertaken thus far. We are committed to keeping you informed so you can provide the most accurate information to your constituents.

Please consider our office a resource should you have any questions.

Sincerely,

Carly Schnaithman
